Policy Framework

Since, NGEL is a Central Public Sector Enterprise (CPSE), the policy has been framed broadly in line with the provisions of the Companies Act and also taking into consideration, guidelines on “Capital Restructuring of Central Public Sector Enterprises” issued by Department of Investment and Public Asset Management (DIPAM), Ministry of Finance, Department of Public Enterprises, SEBI and other guidelines, to the extent applicable.

Objectives of the Policy

- ✓ The Dividend Policy is aimed at increasing the Company’s fundamental value ensuring an annual dividend payout based on the amount of profit to be distributed among shareholders of the company after balancing the requirement of deployment of internal accruals for its sustenance and growth plans.
- ✓ The Company is committed to deliver sustainable value to all its stakeholders.
- ✓ NGEL shall pay dividend unless the company is constrained to declare dividend due to any of the factors listed ahead.

A. Circumstances under which the shareholders of the Company may or may not expect dividend

Dividend is declared at the Annual General Meeting of the shareholders based on the recommendation by the Board. The Board may recommend dividend, at its discretion, to be paid to our members. The Board may also declare interim dividend. Generally, the factors that may be considered by the Board before making any recommendations for the

dividend include, but are not limited to, future capital expenditure plans, profits earned during the financial year, cost of raising funds from alternate sources, cash flow position and applicable taxes including tax on dividend, subject to the guidelines issued by Government. The decision regarding dividend pay-out is a crucial decision as it balances the amount of profit to be distributed among shareholders of the company with the requirement of deployment of internal accruals for its sustenance and growth plans.

B. Financial Parameters that shall be considered while declaring dividend

Being a Central Public Sector Enterprise the Company endeavors to declare the dividend as per the guidelines on “Capital Restructuring of Central Public Sector Enterprises” issued by DIPAM, Govt. of India on 27.05.2016, further revised on 18.11.2024, mandating every CPSE to pay a minimum annual dividend of 30% of PAT or 4% of the net-worth, whichever is higher subject to the maximum dividend permissible under the extant legal provisions. Nonetheless, CPSEs are expected to pay the maximum dividend permissible under the Act under which a CPSE has been set up, unless lower dividend proposed to be paid is justified on a case to case basis at the level of Administrative Ministry/Department after considering the following financial parameters:

- (i) Capacity to borrow;
- (ii) Long-term borrowings;
- (iii) CAPEX/Business Expansion needs;
- (iv) Retention of profit for further leveraging in line with the CAPEX needs; and
- (v) Cash and bank balance.
