

NGEL Inks JV Agreement with MAHAPREIT for Development of Renewable Energy Projects

On 25th September 2024, NTPC Green Energy Limited (NGEL) entered into a Joint Venture Agreement (JVA) with Mahatma Phule Renewable Energy and Infrastructure Technology Ltd. (MAHAPREIT). The agreement was signed by Shri Rajiv Gupta, CEO (NGEL), and Shri Bipin Shrimali, MD (MAHAPREIT), in Mumbai, in the presence of senior officials from both organizations.

This Joint Venture Company will spearhead the development of 10 GW of Renewable Energy Parks and Projects across Maharashtra, with potential expansions into other states in India. The collaboration highlights NGEL's ongoing commitment to driving the nation's green energy initiatives and contributing to India's sustainable energy future.
