Annexure-I-A: Linkage between NTPC Green Energy Limited Corporate Social Responsibility Focus Areas and Schedule VII

Annexure-I-B: Indicative list of CSR projects/ programs/ activities

1. Preamble

NTPC Green Energy Limited (NGEL) has set its vision and mission reflecting goals and present work.

Vision: “To be the world's leading green energy solutions company, driving India's energy transition.”

Mission:To provide reliable, affordable and sustainable green energy solutions to achieve India's energy transition objectives by leveraging innovation and technology.

Corporate CSR objectives are:

- To deliver business and environmental value through projects which are beneficial for business and larger ecosystem.
- To ensure sustainable power development by ensuring minimal wastage across operations.
- To actively contribute towards societal development.
- To lead the sector in the areas of resettlement and rehabilitation and environment protection including effective, peripheral development and energy conservation practices.

CSR policy is intended to be in conformity with the provisions of Companies Act, 2013, and DPE Guidelines on CSR, as applicable.

2. Purpose

The purpose of this policy is to make CSR activities aligned so that they are

- Focused on broad areas of Education, Water, Health, and Sanitation, bringing maximum value to society and the organization.
- Outcome centric, rather than activity based.
- Monitored in terms of impact and opportunity for improvement.
- Useful in instilling confidence in stakeholders through effective communication

3. Applicability

This policy is applicable to

- All NGEL locations in India.
- Formulation, implementation, monitoring, evaluation, documentation, and reporting of CSR activities taken up by NGEL anywhere in India.

4. Scope

- NGEL CSR efforts are focused on Local Area/immediate vicinity of its stations/locations.
- The Geographical limits of a district and adjacent area within 10 Km where NGEL has its presence shall be considered as “local area” for CSR activities. In addition to the CSR activities in the local areas, NGEL shall also undertake CSR activities outside it. The indicative ratio of CSR spends between the local areas and outside would be approximately 70:30. However, projects/ activities executed under the directives of Government of India (GoI) or of foremost concern in the national development agenda will be outside the purview of this ratio.
- The Board of Directors on the recommendations of CSR committee, is authorized to approve any project, irrespective of the amount involved, which is beyond the above ratio.
- NGEL may take up CSR activities in areas beyond the district depending on specific requirements like natural calamity, requirements for key communities, type, and nature of projects, GoI directive and other strategic activities.

5. Guiding principles

The following principles guide the design of our CSR activities:

- **Self-Supported and Sustainable**

During planning and selection, thrust shall be given on long term viability of activities which remain viable upon disengagement at the end of the project period. This will ensure that communities can operate and maintain the assets and systems created.

- **Low Cost - High Impact**

To adopt appropriate solutions to make the CSR activities more effective, cost efficient and impactful.

- **Long lasting enduring in nature**

Priority to be given to projects which will bring long term, sustainable and lasting benefits to the community.

- **Strategic alignment to core business**

To fully exploit the core competency and mobilize the resource capabilities in implementation of CSR activities, preference to be given to the CSR models requiring / supporting NGEL’s strengths, capabilities, and knowledge in a specific area.

- **Measurement and feedback-based outcome centric**

All CSR activities will have well-defined measures to assess impacts on target groups. For high impact projects, there may be an independent, third-party assessment and feedback will be a key input for redesign and / or rollout of further initiatives.

NITI Aayog and MoSPI have mapped the Sustainable Development Goals (SDGs) in Indian context. NGEL CSR activities shall be suitably aligned to the same.

6. Governance

The Board of Directors or Board level CSR Committee, as the case may be, ensures operating system and monitoring mechanism for development and implementation of CSR activities.

CSR committee in NGEL will be constituted by Board of Directors as per extant CSR norms.

To support the Board of Directors or Board level CSR Committee, as the case may be, NGEL has a **Two-tier structure** i.e., Corporate, and Station/Project level who are responsible for planning, implementation, monitoring and reporting on CSR projects.

Two-tier structure

Level	Responsibility
Corporate	<ul style="list-style-type: none">• Policy formulation & MIS• Project selection• Budget planning• Monitoring & Evaluation
Unit Level	<ul style="list-style-type: none">• Project selection and implementation• Budget planning• MIS

7. CSR Programme – Selection, Design, Delivery, Monitoring

7.1. **Focus Areas**

NGEL shall undertake activities in four focus areas as mentioned in clause 2 above. The linkage of these areas to the activities mentioned in Schedule-VII, Section 135 of Companies Act is mapped in *Annexure-I-A. List of activities mapped to Schedule-VII, Section 135* is enclosed at *Annexure-I-B*. Majority of CSR programs taken up, shall be tailored to bring wide reaching, long lasting, impactful contribution to these focus areas.

7.2. **Criteria for selection of CSR Activities**

NGEL shall undertake the CSR activities conforming to any of the following:

1. Activities identified through need assessment survey periodically and/or inputs from panchayat, district administration, neighborhood community, various stakeholders including public representatives, Village Development Advisory Committee (VDAC) and other participatory forums/bodies like interaction with senior management etc.
2. Identified activities should be in line with the list of activities specified in Schedule VII of the Companies Act 2013 and rules framed thereunder.
3. Any other activity for the benefit of community at large.

7.3 CSR PLANNING

Stations /Project/CC of NGEL shall propose to Corporate HR, an annual CSR action plan including budget for the financial year for their respective locations. The Corporate HR department shall prepare a comprehensive annual Action Plan of CSR activities and Budget for the financial year based on the input received and put it up for approval of the Board of Directors after recommendation of CSR Committee. The CSR Committee shall recommend the Annual Action Plan to the Board for approval. However, The Board may alter such plan any time during the financial year as per the recommendation of the CSR Committee.

Broadly, the CSR Annual Action Plan for CSR Activities will be in line with the CSR Strategy of NGEL and complying with the extant rules/norms.

7.4 Delivery Mechanism

- (i) CSR activities/projects/programs shall be undertaken by the company itself or-
 - (a) a company established under section 8 of the Act, or a registered public trust or a registered society, exempted under sub-clauses (iv), (v), (vi) or (via) of clause (23C) of section 10 or registered under section 12A and approved under 80 G of the Income Tax Act, 1961 (43 of 1961), established by the company, either singly or along with any other company, or
 - (b) a company established under section 8 of the Act or a registered trust or a registered society, established by the Central Government or State Government; or
 - (c) any entity established under an Act of Parliament or a State legislature (Explanation. - For the purpose of clause (c), the term "entity" shall mean a statutory body constituted under an Act of Parliament or State legislature to undertake activities covered in Schedule VII of the Act.); or
 - (d) a company established under section 8 of the Act, or a registered public trust or a registered society, exempted under sub-clauses (iv), (v), (vi) or (via) of clause (23C) of section 10 or registered under section 12A and approved under 80 G of the Income Tax Act, 1961 registered under section 12A and 80G of the Income Tax Act, 1961, and having an established track record of at least three years in undertaking similar activities.
- (ii) By "NTPC Foundation", a charitable trust:
With an objective to serve the society, "NTPC Foundation", a charitable trust has been set up by NTPC Limited, the holding Company, that takes up projects and programmes addressing domains of socio- economic concerns.
- (iii) NGEL encourages volunteering by its employees and their family members under the banner "Employee Voluntary Organizations for initiatives in Community Engagement (EVOICE)"
- (iv) The Corporation may collaborate with other Corporations/Companies/

PSUs for undertaking projects or programs or CSR activities. However, CSR Committees of respective CPSEs/companies should be in a position to report separately on such projects or programs in accordance with the Companies (CSR) Rules. All the related requirements /provisions of the Companies Act 2013 in this regard shall be applicable.

- (v) As far as possible every effort is made to ensure that approved CSR activities are implemented within the specified schedule.

7.5 Monitoring & Evaluation

1. The Monitoring and Review will be done at station/project and corporate level. Station/project level shall do local reviews, disseminate MIS and generate exception report. Review of company-wide CSR and budget utilization shall be done at corporate level.
2. The effectiveness of CSR programme will be assessed through both internal and external evaluation.
3. Progress will be measured against the findings of a need-assessment / baseline survey (conducted prior to start of the project), wherever required.
4. Periodical audits will be carried out to verify effectiveness of implementation.
5. Impact Assessment shall be undertaken, through an independent agency, of CSR projects having outlay of Rs.1 Crore Or more and which have completed not less than one year before undertaking the impact study. The expenditure for the impact assessment shall be booked towards CSR for that financial year, which shall not exceed two percent of total CSR expenditure for that financial year or fifty lakh rupees, whichever is higher.
6. In addition to the above, Social Impact Evaluation (SIE) may be done through credible external agencies for gauging impact of CSR initiatives, wherever required. Findings of SIE would form the basis for initiating corrective actions and formulating future schemes/ plans.
7. Success of large CSR projects will be assessed with improvement in developmental indicators.

8. Fund Allocation & Expenditure

- Fund allocation shall follow the Govt stipulated guidelines as issued from time to time. The surplus arising out of any CSR projects/ activities does not form part of business profit of NGEL. Funds allocated are earmarked for CSR activities approved by the Board or Board level CSR Committee, as the case may be. Any amount remaining unspent will be dealt with as per the provisions of Companies Act, 2013 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force).
- NGEL shall spend, minimum two percent (2%) of the average net profits made during the three immediately preceding financial years, for CSR activities.
- Major portion of the CSR budget will be allocated for activities in the vicinity of NGEL stations/projects/locations as mentioned in clause 4 above.

- The Board shall ensure that the administrative overheads shall not exceed five percent (5%) of the total CSR expenditure of the company for the financial year.
- In an event, where CSR expenditure is in excess of requirement as per section 135 of Companies Act, 2013, such excess amount may be set-off against the requirement to spend as per Section 135 of Act, up to immediate succeeding three financial years subject to the condition that
 - a) this excess amount shall not include any surplus arising out of CSR projects; and
 - b) The Board of NGEL shall pass a resolution to this effect.
- In the event that amount mandated above is not spent in its entirety in that Financial Year, unspent amount shall be accounted for as per the provisions of the extant statute.
- Any capital asset created/acquired out of CSR funds shall be held by a company established under section 8 of the Companies Act, 2013, or a registered Public Trust or Registered Society having charitable objects and CSR Registration Number, or beneficiaries of the said project, in the form of self- help groups, collectives, entities or a Public Authority.

9. Reporting and Communication

Stations will communicate CSR related information including efforts, achievements etc. to stakeholders through

- Company's Annual Report including in Business Responsibility Report (BRR), if applicable
- Sustainability Report, if applicable
- Local/ National print & visual media, conferences, workshops, and other forums.
- Internal workshops, training, news bulletins, brochures, intranet etc. to be extensively used to create awareness about CSR initiatives, among internal stakeholders.

10. Review

- Any new provision arising out of amendments to the Companies Act, 2013, regarding CSR or The Companies (Corporate Social Responsibility Policy) Rules, 2014, shall be construed to be part of this policy
- The policy shall be reviewed every three years or sooner if necessitated by changes in business and regulatory framework.
